

## Sustainability Summit 🖕

This CPD seminar entitles you to 1 formal CPD point. Please be aware you are required to manage your own CPD records. We will provide you with your participation certificate once you have attended the full seminar.

## SOCIAL AND AFFORDABLE HOUSING IN AUSTRALIA – WHERE DO WE GO FROM HERE?

- 1. What are some ways to increase the stock of social and affordable housing in Australia?
- 2. What are some feasible design proposals for the social and affordable housing?
- 3. How does upzoning affect social and affordable housing stocks?
- 4. What are some of the main costs associated social and affordable housing?

At the end of this panel, attendees will be able to:

- Outline the scale of the problem of homelessness in Australia and how it has evolved over recent decades.
- Explain the role that the provision of social and affordable housing can play in addressing this problem.
- Identify the obstacles to providing social and affordable housing in the Australian context.
- Outline the ways that these obstacles to expanding social and affordable housing can potentially be overcome.
